

Canacol Energy Ltd. Announces Block Purchase Under Normal Course Issuer Bid

NOT FOR DISTRIBUTION TO US NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

CALGARY, Alberta (January 28, 2022) –Canacol Energy Ltd. (“Canacol” or the “Corporation”) (TSX:CNE) (OTCQX:CNNEF) (BVC:CNEC) announced today that it purchased 5,307,700 Common Shares for CAD\$3.15 per share under its normal course issuer bid (the “NCIB”), relying on the block purchase exemption under the NCIB rules.

The purchase was made from an arm’s length third party via the TSX Exchange. Canacol’s management is of the view that Canacol’s shares are trading at a significant discount to their net asset value. Canacol is committed to purchasing its shares under its NCIB whenever they trade at a relevant discount to their net asset value, provided that Canacol has sufficient liquidity.

The NCIB, which came into effect on December 24, 2021 and expires no later than December 23, 2022, permits Canacol to purchase and cancel up to 10,513,661 shares. Canacol has purchased and cancelled under the NCIB approximately 5,307,700 million shares for a total cost of approximately CAD\$16,719,255 million. There are remaining 5,205,961 million shares that can be purchased under the NCIB.

This news release does not constitute an offer to sell securities, nor is it a solicitation of an offer to buy securities, in any jurisdiction. All sales will be made through registered securities dealers in jurisdictions where the offering has been qualified for distribution. The securities offered are not, and will not be, registered under the securities laws of the United States of America, nor any state thereof and may not be sold in the United States of America absent registration in the United States or the availability of an exemption from such registration.
